

**THE DOON SCHOOL
MODEL UNITED NATIONS CONFERENCE '18
17th – 19th August, 2018**

**GENERAL ASSEMBLY CRISIS
INSTRUCTIONS AND RULES OF PROCEDURE**

- The General Assembly Crisis Session conducted on the last day will have no bearing on the awards that are made for performance in committees or the Best Delegation Award. There will be a separate award system for performance on the third day in the General Assembly Crisis situation. The Best Delegation in this Crisis Situation will be awarded the President's Award for the Best Delegation in the General Assembly Crisis.
- The Secretary-General shall be the Chairperson for the General Assembly Crisis Session. He shall conduct committee along with the President, the Deputy Secretary-General and his Assistant Directors.
- To ensure that there is an equitable time frame provided for each school to prepare, the Secretary-General or his representative will visit every committee on the second day to declare the new country allotments and present the rules of the Assembly.
- The Rules of Procedure that will be followed will be the General Rules of Procedure of DSMUN '18 given on the website.
- Each school will be allowed a team comprising a maximum of six members for the course of the GA crisis. In the event of a school having less than 6 members representing, all members of the delegation will represent their school at the crisis. The rules will once again be clarified on day 2 of the conference.
- The country allotments for each school will be randomised. For example, if one of your delegates is currently representing San Marino, it is possible for them to be asked to represent Bolivia for the course of the GA crisis to be held on Day 3 (19th August). All delegates will be informed of their allocation for the GA crisis on Day 2 (18th August), so that they get time after committee sessions and the morning of Day 3 (19th August) to research.
- The final team list, attached to this document as appendix A, should be submitted to the DSMUN Secretariat at dsmun@doonschool.com by 9:30 am on the 18th August, at the latest. Inability to do so may result in a disqualification for the team.
- The General Assembly crisis will test delegates' abilities to think on their feet while representing a country about which they have limited research. It is for this purpose

that all schools will be informed about the country that they will be representing during committee session on Day 2 (18th August).

- The agenda for the crisis will be revealed to the delegates at the start of the crisis itself on Day 3 (19th August).
- All delegates/observers who will not be a part of the General Assembly proceedings are welcome to witness the proceedings in the Multi-Purpose Hall along with their Faculty Advisors.

Appendix A.
